Staten Island Community Charter School (SICCS) is a collaborative learning community focused on academic achievement, social responsibility, natural sciences and the arts. The school will open on Monday, September 13, 2010, with 100 students enrolled in three kindergarten classes and one first-grade class.

For more information, visit the SICCS blog at statenislandcommunitycharterschool.wordpress.com. To be added to the school's e-mail database, contact statenislandcommunity@gmail.com.
